HUSBAND, 38, SEEKING ALIMONY FROM WIFE, 89

Man Sued For Divorce Asks for Attorney Fees and For Support. Alleges That wife Drove Him Away From Home

PROPERTY INTERESTS AMOUNT TO ABOUT \$25,000.00.

Hot Springs, Ark., Sept. 15.—Robert E. Carrier has filed a cross-complaint to divorce proceedings by Mary E. Carrier, asking \$500 for attorneys' fees and \$55 a month alimony for his support pending a final settlement of the case.

In his cross-complaint Carrier sets forth that he was induced to marry the woman now his wife in 1905 when she was 85 years old through a promise that all her property would be given over to him.

He states that he is 38 years old and that when he was married the property was given over to him, and through his management became more valuable and productive of income, and that things went well until a year ago, when his wife drove him away from their home.

Mrs. Carrier recently filed an action for divorce, charging inattention and drunkenness.

The husband in his cross-bill declares he was attentive to his wife throughout the time they lived together, even though he had to work day and night to care for her as if she were an infant less than six months of age.

The property interests amount to about \$25,000.

Horse Show to be Held at Louisville, October 11th.

Announcement comes from Louisville to the effect that the Louisville Horse Show will be held this year during the week of October 11th. It will be held in the First Regiment Armory, which is unsurpassed as a show place for horses. The prize-list has been completed, and the amounts to be awarded will run well over \$12,000. The horsemen of the State and the country at large, who regard the Louisville show as the equal of any in the country, will have something worth while to contest for this fall.

Kentucky saddle horses are as famous as Kentucky thorough-breds, and the Louisville show has always made a large place for them. This year there will be many classes for both the three-gaited and five-gaited

saddlers, and they promise to be unusually well filled. The best that have been developed during the fair season and at the State Fair will be shown, and real championships will be awarded. Mat Cohen, the Bell Bros., the Gay Bros., Lawrence Jones and others who own blue-blooded saddle horses will be among the exhibitors.

National attention was attracted to the Louisville show last fall by the fact that Judge W. H. Moore, conceded to have the finest stable of show horses in the country, was an exhibitor, and by the exhibitions of four-in-hands by Alfred G. Vanderbilt. Both will be back in October, reinforced by Reginald Vanderbilt, C. W. Watson, Miss Daily Bedford, J. W. Harriman and other owners of show horses that are famous on both sides of the ocean.

Cures Dyspepsia; Trial Is Free

It is a popular mistake that only wealthy people who eat rich and highly-spiced foods suffer from dyspepsia, or, as it is also known, indigestion. The laborer in the street, the worker in the field also finds himself a victim of this disorder. Among the very greatest sufferers from it are women.

Dyspepsia is indicated by a constant feeling of laziness, by loss of appetite and troubled sleep, by sour stomach and distress after eating, by bad complexion and lusterless eyes.

There is no surer and speedier cure for this trouble than Dr. Caldwell's Syrup Pepsin, which dyspepsia have been using successfully for twenty years. This great herb laxative compound cured Capt. Clark, of Buffalo, N. Y., of dyspepsia and sour stomach that he had for forty years, or until the lucky day that he heard of Dr. Caldwell's Syrup Pepsin. It cured Joel Adams, of Montgomery, Ala., after suffering continuously for sixteen months. These are only a few of the many. But it is not expensive to be cured with this great remedy, as it can be bought at any drug store in a 50-cent or \$1 bottle.

Your very neighbors are probably life-long users of Dr. Caldwell's Syrup Pepsin, but if you want to know without expense what it will do for you personally, send your name to Dr. Caldwell and he will be glad to send you a free trial bottle. He is actually anxious to have you make a test of his remedy.

Thousands of families everywhere keep it in the house against such an emergency as constipation, sour stomach, indigestion, biliousness, dyspepsia, heartburn, torpid liver, etc., which may come on a member of the family any day. It is pleasant to the taste, acts gently and does not gripe. It is the great children's laxative tonic.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.

TO THE VOTERS OF CRITTENDEN AND LIVINGSTON COUNTIES

In accepting the nomination for a seat in the Lower House of the next General Assembly of Kentucky, by the unanimous vote of my party in convention assembled, I am indeed grateful for the expression of confidence reposed in me; the more so, because the nomination comes to me entirely unsought, and I feel also an endorsement of my course in the House as your member in the session of 1902.

I speak from experience when I say, that in undertaking to serve you, if elected, that I will do so at a sacrifice to my professional and business interests: but as the banner has been placed in my hands I shall do every thing honorable within my power to carry it to victory.

I feel that my experience as your member one term and three terms as clerk of the House qualifies me, to some extent, to make you a more efficient Representative, than when I first served you without any knowledge whatever of practical legislative work.

If you honor me again I shall strive to make you an honest and faithful member; striving to make laws fair and equitable alike to all. And endeavor at all times to reflect the will of my people on all questions of public interest.

I shall stand for temperance and sobriety.

I shall stand for a law that will stop "blind tiger" and "boot legger" from invading our territory, which by our votes we have said shall be dry, and vending his vile poison to our youth, thereby disturbing the peace and tranquility of neighborhoods, and religious and other lawful assemblies, even if it takes the prison stripes to do it.

I feel that the present Trustee law and school system passed by the last General assembly is unjust, unfair and unsuited to the requirements of our people; therefore, if elected I shall vote and work for its repeal.

I stand for laws that shall be respected by all classes alike; believing that law and order can only be maintained by a fair and impartial administration of the laws of the land.

If you can give me your support, I shall appreciate it, and endeavor to give you no cause for regret at having done so.

I am your obedient servant,

MARION F. POORE.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early age, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature
